Bike Routes

Protected Bike Lane

Conventional Bike Lane

This map illustrates the proposed expansion of the E-Scooter Share Service Area within Bronx Community Board 10. The planned corral zone is outlined with a dashed yellow line, starting from the northern boundary near Givans Creek Woods and extending south along Co-Op City Boulevard, then east along Bartow Avenue, and finally south along Hutchinson River Parkway. The map includes various landmarks such as Givans Creek Woods, Co-Op City Field, and several residential areas like Einstein Loop North and South. Major roads shown include Baychester Avenue, Co-Op City Boulevard, Bartow Avenue, and Hutchinson River Parkway. The map also displays existing infrastructure like subway stations (e.g., 125th St, 181st St) and bike lanes (protected and conventional). A legend in the top right corner provides a key for the symbols used, including planned and existing corral zones, bike routes, and transportation features. Community Board boundaries for CB210, CB212, CB228, and CB211 are also indicated.
